

Greetings from World Trade Center Mumbai!

World Trade Center Mumbai in association with World Trade Center's Association, New York is jointly organizing an international trade show - 'Connect India 2022'. This international trade show will include an online exhibition and networking business meetings from August 1 – November 30, 2022, followed by a physical conference on December 1-2, 2022, at the World Trade Center Mumbai.

'Connect India 2022' aims to provide an interactive platform to promote investment and business opportunities for World Trade Centers, Governments, and Companies in India and overseas. This will immensely benefit MSMEs, exporters, and importers to expand their business horizons with the ultimate objective to promote international trade. The focus sectors include Agro & Agro-processing, Auto components, Engineering, Pharma & Healthcare, Renewable Energy, Technology & ICT, Telecom, and Home Decor & Textiles. The online exhibition aims to host over 10+ Country pavilions, 500+ international companies, and 1000+ networking meetings.

**In an effort to promote and encourage investments and business collaboration with Iraq, Trade Associations/Chambers and their member companies from Iraq are invited to showcase the products and services to the participating WTC's and their business members.**

The other benefits are:

1. **Promote your region**, projects, products and services to international companies.
2. **Add Value** to fast-developing region via digital trade missions
3. **Meeting one-on-one** with investors in seminars, forums and other forms of investment facilitation from WTCs across the world
4. **Business connections** through online matchmaking sessions, meetings and networking activities

In return, we are pleased to offer:

1. **Branding Opportunities and logo visibility** on the publicity and promotional materials.
2. **Virtual booth** at the online exhibition.
3. **Opportunity to make presentations** during the exhibition and conference.
