

**Sub: 7th India Water Week-2022 (IWW-2022)
to be held from 1-5 November 2022 at
India Expo Centre & Mart, Greater Noida, Uttar Pradesh.**

Ministry of Jal Shakti is organizing 7th India Water Week-2022 (IWW-2022), an international conference, during 1-5 November, 2022 at India Export Centre, Greater Noida, Uttar Pradesh.

2. The main objective of India Water Week is to provide a forum for various stakeholders (policymakers, water managers, professionals, academia nationally and internationally and the user groups from different sections of the society) wherein all water-related issues are discussed and measures identified to address various challenges of water security for sustainable development. The theme for IWW-2022 is “Water Security for Sustainable Development with Equity” focusing on various aspects of water security and management and related challenges for equitable development.

3. IWW-2022 will have various events in form of seminars, panel discussions and special sessions organized with cooperation of stakeholders, including international organizations and partner countries. An exhibition supporting the theme and showcasing the technologies, latest developments and solutions available in various fields related to water security for benefit of various stakeholders and general public would also be organized. The exhibition will be spread over an area of about 3,500 square metres and is co-located with the conference at India Expo Center, Greater Noida. About 2,000 professionals in the field from India and abroad are expected to participate in this event.

4. Embassy of India, Baghdad urges interested participants to register themselves at www.indiawaterweek.in
