Millets Pavilion

CII is organizing the 14th edition of "Foodpro" An exclusive and most comprehensive Exhibition and Conference on Food Processing and Technologies. This event will showcase the broad spectrum of opportunities, technologies and solutions available for Food Processing and allied industries.

Cold Storage & Refrigerated Transportation

The 3rd edition of "ColdStoRe India" - An exclusive and focused event on Cold Storage, Refrigeration & Transportation. This initiative will focus on the complete cold chain right from primary cold storage facility at Farm Level to high end cold storage including Cold / Refrigerated Transportation & Technologies.

Traditional Food Festival & Expo

"T-Food" will be a movement to bring back the native Traditional Foods and will showcase the traditional wisdom about processing of food, preservation techniques, geographical indication, culinary tradition & food products and therapeutic effects followed by many generations.

"Food Expo" will showcase wide variety of ready to eat food products from all over the world including processed food, nutritious food, instant food, immunity food, green & organic food, beverages, snacks, seasonings and seafood. This initiative will provide numerous business opportunities to various stakeholders.

"Food Packaging Expo" will showcase the technological advancement in various domain of food packaging industry and will focus on end to end packaging needs for the food products. This event will connect technology solution providers with end stakeholders

Special Focus Pavilion

India being the worlds largest producer of bananas, this initiative will promote and popularise different varieties of bananas from India and their organised cultivation and exports. This will also be an educative and interactive platform showcasing banana-related equipment and innovative technologies to various stakeholders.

Across the world with dietary and life science challenges, the Millets Pavilion will aim to bring awareness on millets benefits to various stakeholders, so that they could include it in their diet. This initiative will be a platform for domestic and international millet producers to promote trade, share information and knowledge, expand market linkages and connect with a wide range of Stakeholders.

Confederation of Indian Industry

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering Industry, Government and civil society, through advisory and consultative processes.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, with around 9000 members from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 300,000 enterprises from 286 national and regional sectoral industry bodies.

For more than 125 years, CII has been engaged in shaping India's development journey and works proactively on transforming Indian Industry's engagement in national development. CII charts change by working closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness and business opportunities for industry through a range of specialized services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues.

Extending its agenda beyond business, CII assists industry to identify and execute corporate citizenship programmes. Partnerships with civil society organizations carry forward corporate initiatives for integrated and inclusive development across diverse domains including affirmative action, livelihoods, diversity management, skill development, empowerment of women, and sustainable development, to name a few.

As India completes 75 years of Independence in 2022, it must position itself for global leadership with a long-term vision for India@100 in 2047. The role played by Indian industry will be central to the country's progress and success as a nation. CII, with the Theme for 2022-23 as Beyond India@75: Competitiveness, Growth, Sustainability, Internationalisation has prioritized 7 action points under these 4 sub-themes that will catalyze the journey of the country towards the vision of India@100.

With 62 offices, including 10 Centres of Excellence, in India, and 8 overseas offices in Australia, Egypt, Germany, Indonesia, Singapore, UAE, UK, and USA, as well as institutional partnerships with 350 counterpart organizations in 133 countries, CII serves as a reference point for Indian industry and the international business community.
