Sushma Swaraj Institute of Foreign Service
Ministry of External Affairs

The first quarter of 2023 was an eventful one for the Sushma Swaraj Institute of Foreign Service (SSIFS), with both training verticals of the institute organizing several flagship programmes for Indian diplomats, civil servants, and officials as well as foreign diplomats.

The Induction Training Programme for Indian Foreign Service Officer Trainees of 2022 batch and two diplomats from Bhutan resumed in the New Year which included addresses by senior officers of Ministry of External Affairs and other eminent guest speakers. As is customary, the Officer Trainees were sent on 'Bharat Darshan'. They also attended State Attachment during which they receive briefings on the latest initiatives of the respective State Governments, the potential for international cooperation and the developmental challenges faced by aspirational districts in these states. The Officer Trainees also got a unique opportunity for hands-on training in protocol and media management during the G20 Foreign Ministers' Meeting held in March 2023.

The Mid-Career Training programme for 27 IFS Officers of 2007 batch was conducted from 06-31 March 2023.

As part of SSIFS's efforts to train officials involved with the G20 meetings, a day-long training programme for Protocol Officers from States & Union Territories was organized on January 27, 2023. This followed the first training programme for more than 300 GoL Liaison officers held in December, 2022.

As far as training for officials at junior level is concerned, the 85th edition of the Integrated Mission Accounting System (IMAS) and Immigration, Visa and Foreigners Registration and Tracking training programmes (IVFRT) were conducted in February-March, 2023.

Under the Foreign Training vertical, the year began with the 3rd Annual Disarmament & International Security Affairs Fellowship Programme was conducted in January 2023 where 34 young diplomats from 30 countries participated. There were also special courses for 21 diplomats from Iran and 17 diplomats from 9 Pacific Island countries (PIC) in February and March, 2023. The 64th and 65th edition of the Know India Programme for young PIOs was also conducted by SSIFS during this quarter.

The quarter ended with SSIFS's flagship training programme - 70th Professional Course for Foreign Diplomats - conducted from 13-31 March 2023 where 52 diplomats from as many countries attended.

The next quarter also promises to be an equally exciting one and we at SSIFS look forward to bringing out the details of our institute's activities through the next edition of 'Videsh Sewa'.
