GLIMPSES OF FICCI LEADS 2022

LEADS 2022 was a transformative global thought-leadership initiative by FICCI, bringing together 100+ global leaders, including CEOs, policymakers, and innovators from over 50 countries. The event fostered insightful discussions on key sectors such as manufacturing, infrastructure, healthcare, fintech, and sustainable development, paving the way for stronger international collaborations.

Dynamic keynote addresses and high-impact ministerial panels provided strategic insights into emerging industry trends, technological advancements, and sustainable economic growth, positioning India as a vital player in shaping the global business landscape.

Hon'ble Mr. Bhupender Singh Yadav, Minister of Environment, Forest, and Climate Change; and Labour and Employment, India, along with other panel members

Hon'ble Ms. Nirmala Sitharaman, Minister of Finance and Corporate Affairs, India

Hon'ble Mr. Narendra Singh Tomar, Minister of Agriculture & Farmers Welfare, India

Hon'ble Mr. Damien O'Connor, Minister for Trade & Export Growth, Agriculture, Biosecurity, Land Information & Rural Communities, New Zealand

Hon'ble Mr. Piyush Goyal, Minister of Commerce & Industry, India

Hon'ble Mr. Jyotiraditya Scindia, Minister of Civil Aviation; and Steel, India

Hon'ble Mr. Wolfgang Tiefensee, Minister for Economics, Science and Digital Society, Germany

Mr. Peter Rhee, Deputy Managing Director, Southwest Asia, Samsung Electronics

Mr. Richard Abel, Managing Director, UK Climate Investments, Macquarie Group, United Kingdom

As we gear up for FICCI LEADS 2025, the momentum continues to build! Join us for another powerful edition that will connect global visionaries, drive cross-border partnerships and redefine the future of industries worldwide. Be part of the conversation that shapes tomorrow!
